Directing the activities of the entire city school system, the Board of Trustees is composed of eight Great Falls business men and women who act in the medium between the taxpayer and the school.

The members of the Board of Trustees are elected by the people for a term of three years. They are responsible to the people for securing and maintaining the services of the superintendent, teachers, and other employees, and are also charged with the responsibility to keep inviolate public school funds for the purpose of providing equal educational opportunities for all.

DR. A. J. TERRILL

AS THE ROUNDUP makes its yearly appearance, it comes to mind that those who selected the name for our annual chose wisely. Truly it is a "Roundup" of pleasant memories of the happiest years in the lives of those who are privileged to attend an American high school. It is a summary of great achievement and a story of the intellectual, cultural, and physical growth of young people. As a faculty, we feel this growth has been so great that a community investment in education will be returned many fold. The return will be in the guise of a more intelligent citizenry, alert to improve conditions—intellectual and economic. We hope the seeds of honesty, industry, and tolerance have been planted deep enough to be fruitful, but that an attitude of unswerving firmness in the cause of right has been a vital part of this eduaction.

To our three hundred graduating Seniors, sincere best wishes are extended. We know that the fine things you do in the years to come will be a credit to Great Falls High School.

Robert B. Farnsworth

Superintendent.

MODERN educational philosophy stresses the importance of each individual student. It recommends that the interests, needs, abilities, skills and aptitudes of each student should be considered, and that the students should have the opportunity to develop their own capacities to the fullest extent.

The faculty and administration of the Great Falls High School endorses this viewpoint. It is our desire to have the school geared to the life needs of teen-agers in order that they may become socially competent citizens in the school and in the community. It is our hope that educational experiences of the boys and girls in this school will enable them to live socially useful and emotionally satisfying lives.

We extend to the Seniors our best wishes for their future achievements and congratulate them on their past accomplishments. To the members of the Roundup staff and sponsors we express our appreciation for a job well done.

Cyril H. Hancock

Principal.

Vice Principal

Whether your problem is college entrance or scholarships, classroom schedules or conduct, Mr. Anderson is on hand to deal with it ably and fairly. His friendly and competent counsel has won the confidence and admiration of parents and has inspired students and teachers to follow his leadership.

EDMUND T. ANDERSON

MISS MAYME MURCHIE

Dean of Women

A highly respected member of the teaching and guidance staff is Miss Murchie, Dean of Women. Along with a heavy teaching schedule she finds time to offer friendly assistance to the women of the school and helps select girls for citizenship awards.

MISS ELIZABETH HAVENEN

School Nurse

Miss Elizabeth Havenen, school nurse, plays an indispensible role in promoting the physical well-being of members of G. F. H. S. by health education and first aid. In cooperation with Dr. H. V. Gibson, Miss Havenen conducts physical examinations for Freshmen and keeps permanent health records so that good health habits may be promoted for adult life.

Student Government

The turn of the century finds the teen-agers of 1950 more alert to the fulfillment of the duties and responsibilities of an active democratic student government. Such preparations consist of an Executive Board, Council of Representatives, and the Student Association Officers elected to office in secret ballot so that cooperation in governing policies is in harmony with the administration and the School Board.

Mr. McElroy — Miss Olson

As the class of '50 leaves the Senior entrance for the last time, there are tears in many an eye with memories of four wonderful years. They look back to when, as freshmen, they climbed the hill to whitewash the '50 and polish the G. F. and it seems impossible that it was four years ago. Recollections of the exceptional talent displayed in the class assemblies, in the fields of music and dramatics, a good scholastic record, and two consecutive football championships will be among their most treasured memories. These things and many others have made the class of '50 a class of which to be proud.

Class Will

We, the Class of 1950, tearing the brown covers off books and settling down to the hum-drum of adult living, do hereby will and bequeath some of our more prominent marks of distinction throughout our four high school years to members of the up-and-coming classes of future progressive citizens.

Duane Brees leaves his long hair to Charlie Rowe to use as a camouflage until his own grows out.

To Carol Vaskey, goes **Barbara Bowlin's** log by the fire at Kings Hill.

Gary Bluhm leaves the hurdles to Chuck Polutnik. (Poor Sole.)

Kathryn Lindseth and **Barb Ingebritson** leave their "flapper bobs" to Julia Parosns and Cecilia Langhi.

B. J. Dunlop proudly parts with her bowling abilities and leaves them in the hands of Pat Barney.

Barbara Becker bequeaths that coveted spot at the head of the band to some lucky underclassman who deserves it.

Claire Coursey willingly leaves her ability to fight with Norm to Laura Howard to use on Jack.

Jeanine Thurber wills her red-rimmed glasses to Bill Toy so he can see the light.

Marian Moses endowes Neil Ackerman with a few spare inches of her enormous height.

Bob "Cactus Jim" Engellant leaves his guitar to Lee Roy Bacon to strum languidly under the stars.

Joyce English leaves her pixilated manner to Zelma Haugen.

To woman-hater Mutt Johnson goes **Glenn Miller's** worn book of "Romance In Ten Easy Lessons."

Bob Nelson bequeaths his dimple to Jack Pachek and his political abilities to Bernie Mogstad.

Don Beatty bestowes his membership in the Pyramid Club to Nick Darling.

Marlene Cresein and **Marlin Ahl** leave their fidelity to Ruth Bley and Bob Sanderson.

Bill Dehon has generously left his blazing trumpet to Jerry "Harry James" Erickson.

Nancy Cameron and **Sharlee Shane** lovingly leave their constant companionship to Betty Bley and Sally Smith.

Joyce McKenzie leaves her dignity, quietness, and appreciation for the finer things of life to Cynch Lofstrom.

To allure the opposite sex, **Bill Margaris** leaves his long eye lashes to Gene Knight.

Joan Lefevre bequeaths her accentuated gait to Billy Gue.

Murt Wilson surrenders his City Food Delivery truck to Earl Tucker with which to paint the town red.

Bill Watson gladly parts with his troubles and rumors about himself by leaving them to Ron Kalafat.

Norman Stubbs leaves all his paintings, sketches, and drawings to Miss Moore to give her a start in her art museum.

Jim Pilgrim leaves his Ford to be used as a taxi cab between the high school and Hussman's . . . students, half price.

Pat Murray passes on his ability to blush to Fred Warrington and hopes it doesn't get him into trouble when he uses it.

Sheila Peterson leaves her split personality to Carol Baker and Nancy Lively.

Don Tornberg surrenders his shaving kit and magnifying glass to Tom Bullock—may the blades never wear out.

Cathryn and **Doris Wollaston** bequeath their similarity to "Little" Ed Ritt and "Littler" Emery Matskb.

Juanita Theibaud leaves nothing but joy in the knowledge there won't be any more Theibauds.

Georgia Renning and **Doris Hildahl** surrender their ping pong doubles championship to Cam Barett and Dort Enochson.

Artie Frank leaves her long fingernails to any up-and-coming senior who wants to get under people's skin.

Dick Freeman wills his laugh to Walker Peterson.

Bill Fleming leaves his thoughts with Delores.

Nancy Warden leaves—still looking for the elevator.

. . . And of course, with all these treasured possessions, the class of '50 also includes the senior entrance and front seats in the auditorium to the class of '51. May the precious memories which accompany them never be forgotten.

Miss Swenson — Mr. Buck

The fresh-faced, apple-cheeked class of '52, already schooled to the upperclassmen rituals, stalked 412 strong into the high school last fall as Sophomores. Diving full force into class business, they have accomplished many orchid-rating activities, such as showing their appreciation of the Frosh shindig with a Frolic for their new friends, and putting on their Sophomore Assembly.

The Sophomores were on top with small enrollment losses this year having lost only 32 students during the summer.

Here at Great Falls High, the liveliest group with all the excess energy is found in the Class of '53. They've gone through the usual initiation into school life by Kuder Preference tests, painting the G. F. and—getting lost in our spacious halls. Something new has been added by a Frosh-Sophomore party, showing their sociability. An outstanding television show displayed their musical and dramatic talents while the scholastic and athletic honors given them, promise the school an up-and-coming class the next three years.

Here are the men who uncover the talent of many Bison athlete hopefuls. Bill Swarthout, head coach, is showing his helpful mentors plan for the coming seasons. Left to right are William Swarthout, Trainer Floyd Schlameus, Henry Dahmer, Varsity assistant; Dick Keniston, varsity track assistant, and Junior Varsity Coach Ludvick Jun.

The Great Falls High School athletic managers, headed by trainer Floyd Schlameus, is one of the hardest working groups in the school. Taking care of socks, seeing that everybody has a clean towel, rubbing down a tired player, and tapeing or bandaging the many bruises of a romped-on football player, this organization gets most of the hard jobs behind the lines of every major sport in school.

This intelligent group is a shining example that athletes have brains as well as brawn, which promote lettermen to take a more active interest in their scholastic ratings. For membership these boys have to have above average grades for three consecutive semesters, a strict observance of training rules and general conduct, the possession of a varsity letter, and a high recommendation of Coach Swarthout for sportsmanship.

From the opening whistle to the closing gun, the Great Falls Bisons fought with spirit and determination to bring Great Falls High School their second straight Montana high school football championship in two consecutive years, 1948 and 1949.

With 16 returning lettermen to spearhead the squad, the Bisons began drilling in late August for the tough schedule ahead. The season's opener was September 10 at Miles City where the Bisons first displayed speed and power as they romped over the Cowboys 32-0.

Kalispell is hemmed in.

The Bisons returned home the next week to battle Pocatello, Idaho. The hustling Bisons substituted freely throughout the contest and easily defeated the Indians 13-0.

The next week the Bisons had an open date. They took advantage of this by ironing out the rough spots in their offense and healing up injuries to prepare for the long conference schedule.

On October 1, the Kalispell Braves invaded Memorial Stadium to oppose the Bisons in their first conference game of the season. The Braves boasted one of the state's strongest aggregations and were seeking revenge on the Bisons for a defeat the year before. But the Bisons unleashed their full power on the Flathead lads and came out of the fray 41-0 victors.

The Bisons then became regarded as one of the state's strongest teams. They had three victories in three starts and had yet to be scored upon.

On October 7, the Herd traveled to Butte to meet Coach "Swede" Dahlberg's scrappy Bulldogs. The Bisons were favored in the contest but were upset 13-6 in a hectic battle.

Still licking their wounds from the Butte fray, the Bisons invaded Vigilante Stadium at Helena to clash with the Crimson Bengals. After a slow first half the Bisons began to roll and downed the Bengals 25-13.

On October 29 the Bisons entertained the Billings Broncs in what proved to be one of the finest games of the year. After a hard-fought first half, featuring savage blocking and tackling, the Herd began to roll and came out on top of a 13-0 decision.

The Bisons ventured to Missoula on November 4 for the final game of the season. The Bisons suffered a heart-breaking 7-0 defeat at the hands of the Spartans to throw the Herd into a three-way tie with Billings and Missoula for the runner-up spot in the Big Six Conference.

This situation necessitated a play-off in which the Bisons drew a bye in the first round. After Billings downed Missoula the Bisons traveled to Daylis Stadium to meet the Broncs. Here, before a capacity crowd of 5,000 fanatical grid fans, the rampant Bisons downed the Broncs 25-20 in the hottest contest of the year to make the Turkey Day classic a Bison-Bulldog affair.

The Bisons entered Naranche Stadium on the balmy afternoon of Thanksgiving Day, November 24, to tangle with the tough Butte Bulldogs in the title mix. The Bisons wanted to make it two in a row and gain revenge for an early season upset at the hands of the Purples. The issue was never in doubt as the Bisons unleashed all their power and fury in this finale and trampled the Bulldogs 18-6 for their second straight Montana high school football championship. Folks can look with pride upon this team which was one of the finest to come out of the Electric City in recent years.

When the chips are down and the laurels and defeats are counted not many sport enthusiasts of the high school hoopster program will fail to note that Coach Bill Swarthout's men played good ball despite only two wins throughout the season. Starting the season with a full cargo of players who were cast in their first year of varsity competition, and suffering such losses as will result from green and inexperienced players, the basketball program went into full swing with the season opening against the Glasgow Scotties, on December 10, which resulted in the Bisons first defeat of the year, 33-27.

Although they posted only two wins throughout the season the Blue Bisons lose only one player through graduation and will be back next season fighting for top rating in the fast-moving contests of the hardwoods.

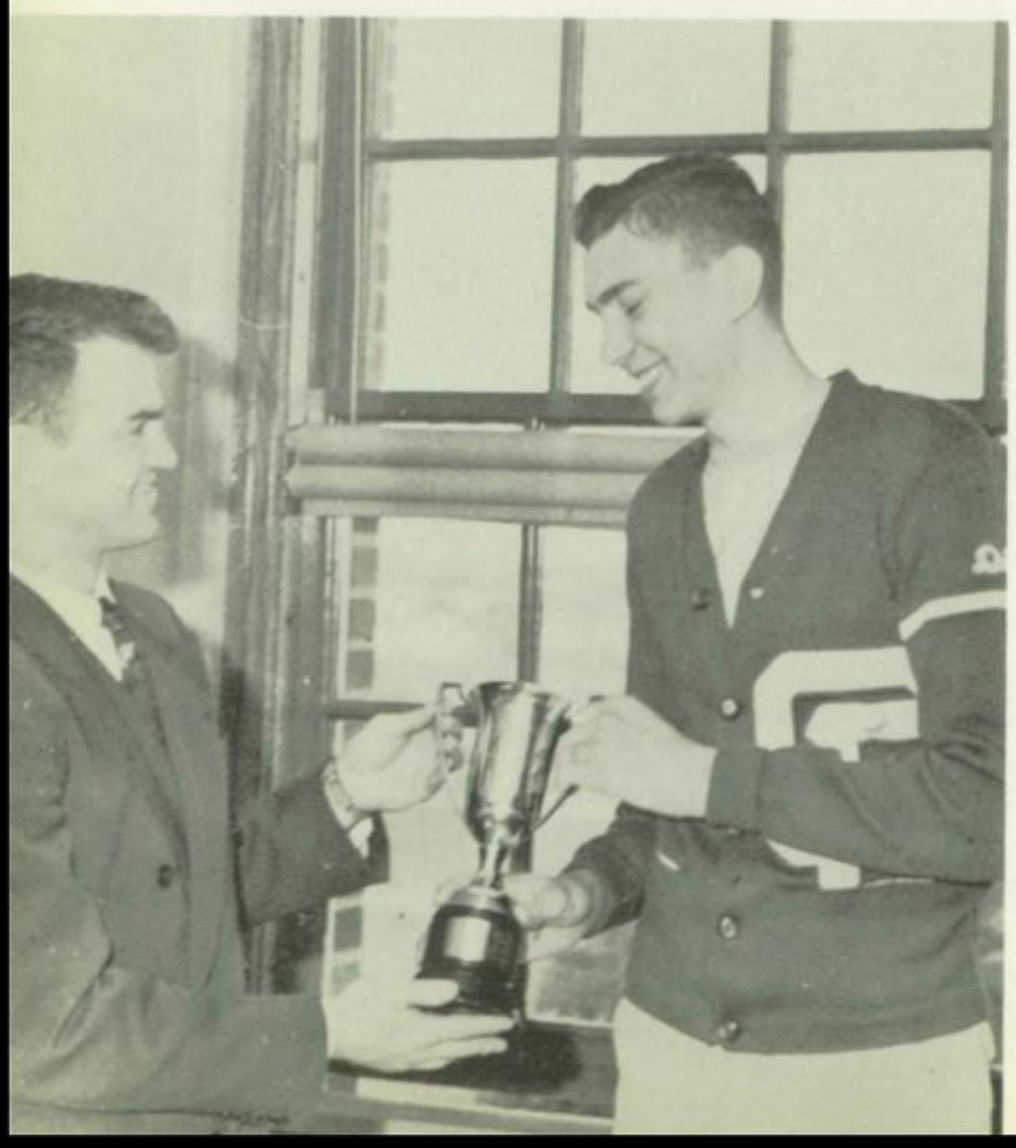
Trophies

Cy Greely, President of the Great Falls Quarterback's Club, shakes hands with Don Winterrowd, winner of the Most Valuable Player award as C. H. Perry looks on. Don was elected by his team mates for the 1949 season; he is the eighth player to have his name engraved on the trophy.

Baseball Coach Mr. Rudy Scovil is seated between the two state championship baseball trophies won by Great Falls High School. The trophy on the right represents the 1948 championship and the one on the left during the 1949 season. Great Falls High School went through the two seasons undefeated.



Coach Bill Swarthout presents Dick Trinastich with the Briggs Basketball trophy, an award for outstanding playing ability. The trophy is given to the player elected by his teammates as the most valuable of the season.

Baseball

Left to right, back row: Bullock, Asst. C. Huber, Coach Scovil, Sulser, Yurko, Ellis, Tabor, Capt Carlson, Cogswell, Merrick. Second row: B. Johnson, Wallace, Mann, Mathews, Bofto, Snippen, Smith, T. Campbell. First row: Fransen, Janosov, Tornberg, M. Johnson, Cooper, Cook.

Here are the victorious Great Falls High School Baseball team who won their second straight State Baseball Championship by defeating Miles City 5-0 on May 21, 1949. During the two seasons the Bisons won 21 games and lost 1, that being to the East Base ball team in a practice game. The team practiced nightly and averaged about three or four inter-squad games a week.

Junior Hockey

Left to right, back row: Rae Edmonds, Bob Taber, Elmer Fledmen, Gary Gillis, Ele Schuff, and Frank Trodick. Middle row: Bob Wallace, Al Samuels, Jim Bullock, Jim Cook, and Bill Cocales. Front row: Dick Burk, Nort Schuff, and Tom Bullock.

These are the Great Falls Junior Hockey players of 1949-50. Although this team was not sponsored by the school, they get a place in this annual because of the many high school boys who participate in this sport. The Juniors, having a good year, were beaten only once out of 10 games, and this was at the hands of a strong Lethbridge Canadian team.

Agora Club

Twice a month on Wednesday mornings, Room 307 is filled with the voices of young people, led by Miss Garver, sponsor, discussing problems of importance to the present and future of all, just as was done years ago in the agoras, or forums of the early Romans.

To render more imposing club activities such social get-togethers as luncheons and dances are held throughout the year. At the Bungalow Bakery and the Y. M. C. A. Dutch Room parties are held, featuring square dancing as the main attraction.

Booster Club

Hungry teen-agers enjoying a football or basketball game can usually dig up enough cash to buy a coke, a box of popcorn or one of the many other edibles offered for sale by the Booster Club. Mrs. Dorothy Stoner has completed a very active first year as adviser and director of the club's activities and personnel. From the annual profits made in selling, the Club donated to the school the first glass basketball backboards in the state. The annual Booster Ball, one of the biggest dances during the school year, was held December 21 and the members outdid themselves as decorators and dance planners of a Skating Party theme. A new file for records and a cabinet for supplies were new club additions this term.

Debate

Resolved: The electorial system in the United States should be abolished. . . . Debaters of Great Falls High School, sponsored by Mr. Miller, have been weighing the pros and cons of this question at numerous debate meets throughout the school year. Besides district debates in Blackfoot, Idaho, interscholastic debates in Missoula, and special meets with Havre, Kalispell, Lewistown, St. Thomas, and Great Falls Central, these orators undertook a challenging project this year whereby they sought to improve the student government by more student participation. There is one period of debate and students taking it for the first time get a half credit for it. There is also a debate club which meets Tuesday nights after school.

Concentrating upon detailed plans of the French Club's main project for the fall-winter, the CARE campaign, the 1st semester officers are pictured as follows: Beverly Talbott, secretary, on the right, followed by Miss Rathman, sponsor; Caroline Tautges, president; Wilma Sorenson, vice-president; and LaRita Larson, treasurer.

With Springtime comes the French Club's girl-take-boy frolic, a leading event of the school year which the 2nd semester officers, as follows, left to right, Treasurer LaRita Larson, Secretary Marlene Cresien, President Caroline Tautges, Sponsor Miss Rathman, Vice-President Wilma Sorenson, planned with eager anticipation.

Displaying customary enthusiasm, the French Club this year planned and carried out a traditionally jam-packed calendar. With the Golden Rule as a by-word, the Club sponsored its annual CARE drive and netted $465.91. As an all-year project, the members contributed to the support of an orphaned French boy.

Looking on the social side, the Club held an after-game dance in December and "Les Femmes Frolic," the big dance of the year, in March. The thirty girls who make up this organization are proud to be members of one of the most active clubs in school and are honored to be chosen to uphold the ideals of the French Club.

These girls were elected by the members to fulfill the duties of these offices. Pictured here with the sponsor, Mrs. Webb, are: June Eley, vice president; Mary Calvert, treasurer; Doris Hildahl, president; Barbara Lindsay, secretary, and Delores Bechard, recording secretary.

This is the undefeated volleyball champs of 1950 who have the name of the Elkolopes. They are, left to right, back row: June Eley, Eleanor Ellis, Belinda Wolfe, and Lois Gowan. Seated: Audrey Harris, Barbara Walker (captain), Roslyn Ferguson, and Mary Calvert.

Georgia Renning is champion of ping pong of 1950 and Doris Hildahl is second. These girls placed second and third, respectively, for the previous three years.

The Girls' Athletic Association helps the average teen-ager to develop strong minds and bodies along with the teaching of good sportsmanship. These gals participate in such sports as volleyball, ping pong, badminton, tennis, hockey, basketball, hay rides, parties, and the annual Harvest dance held each year after a football game.

Latin Club

Under the expert guidance of Mrs. Josephine Sherman, Latin instructor, this club has initiated its first year successfully. A club for all second-year Latin students, it is devoted to the attainment of the cultural and historical objectives of teaching Latin. Plays, parties, contests, music and art have contributed to most interesting classes. The students, as a result, have learned to write, converse and sing in the language. May they leave to future Latin students as enjoyable and educational classes as in the past year.

National Forensic League

An organization of high school orators, the National Forensic League of Great Falls High School, is made up of students who have achieved, or, are striving to achieve 20 points in public speaking activities as a preface to membership in this group. The club is made up of 27 students, 12 of which are national members.

Besides brushing up on their declamations, orations, extemporaneous speeches, and debates, these students have taken time out to sponsor two dances. With the money earned they purchased a recorder for the English Department to be used in speech classes.

Seated, left to right: Margaret Little, Joan Lefevre, Virginia Blackley (vice president), Virginia Smith, Juanita Thiebaud, Shirley Wise, Miss Buckmaster, Arlene Daniels, Jane Erickson (secretary), Marie Andersen, Justine Joslyn, Doris Wollaston, and Cathryn Wollaston. National Scholastic Honor Society

Creating enthusiasm for scholarship, stimulating desire to give service, promoting leadership, and developing character is the purpose of the National Honor Society—one of the largest interscholastic organizations in the United States. The local chapter received its charter in 1924, according to Miss Jeanne Buckmaster, club sponsor, and this year the top twenty-six students in the senior class are members. Among other functions, the club made their nomination for the Hall of Fame, and chose attractive gold pins which they will gladly display to anyone who even mentions them!

Office Force

Twenty-one years of help in making school life run smoothly is the record of this course which assists Vice Principal E. T. Anderson in his duties. You can find them energetically collecting attendance slips, answering telephones, filing, and carrying messages to all parts of the school. This course is not only interesting, but offers one-half credit per year.

Pan American Club

Hola amigos, hi friends, is the friendly greeting of the Pan American Club whose members accept the challenge for good will and friendship between the United States and South America and also serve as a social gathering for second-year Spanish students, under Miss Schoenharr's sponsorship. Guests from South American cities were speakers during club meetings and skits and recordings were used to help create an understanding of our neighbors to the south. Pan American Club sponsored the very successful March of Dimes campaign and also an after-game dance. Pan American Club has been active this year for the first time in school affairs and promise increased activities in future years.

Christmas package wrapping, cards to shut-ins, and a successful Red Cross campaign all show the active spirit of the teen-agers in this enterprising club. Headed by Miss Murchie, these young people worked hard to raise a total of $159.72 for the Red Cross.

Driver's Course

The Driver's Course, one solution to the problems of teen-age driving, is ever increasing in popularity with 200 prospective young drivers enrolled this year. These students go through the paces of textbook study learning proper attitudes and basic principals, and of actual practice in a dual-control Pontiac, donated by Bennett-Pontiac, with instructor Mr. Roseberry aptly applying brakes and clutch in emergencies, and demonstrating principles as pictured in car. At the close of the quarter students are required to take a state test administered by the highway patrol officer and to impart to fellow students knowledge gained in the course.

Discussing skiing with the sponsor, Mr. Keniston, are these enthusiastic officers: Kathy Hurd, treasurer; Shirley Smith, secretary; Chuck Skovron, president; Cecelia Clark, secretary, and Murt Wilson, vice-president.

Ski Club

Slats enthusiasts, 106 sitzmarks strong, form the Great Falls High School Ski Club which has been active in selling programs at the games and sponsoring dances along with sending nine skiers to Whitefish, February 9, 10, and 11 to compete in the Interscholastic Meet. Christmas Concert

Great Falls High School

TUESDAY EVENING, DECEMBER 20, 1949

Eight o'Clock

With Singing in the halls still one of the treats of the Yule-tide Season the melodies of the Fourth Period Chorus could be heard echoing through the halls.

No day would be complete without a song think this group of singers whose voices hale from three full classes of choral study which meets each day under the direction of Miss Ann Anderson. Many downtown club programs for local organizations, three Christmas radio broadcasts, and a highlight called "Country Style," have been enjoyed by the singers.

"White Christmas" as sung by the chorus brings dreams of the happy vacation time ahead, to all classes.

Throughout the year favorable comments have been voiced by many music notables who have heard this fine group sing. It would truly seem that the line from the selection **Evening Prayer,** given at the April 28th All-City Music Festival, expresses the humble and joyful spirit of Great Falls High School chorusters—"Make us worthy of the Glory above."

Orchestra

To bring classical music to the ears of Great Falls High School has been the aim of the concert orchestra. Divided into two musical groups this year, one has been able to work out more advanced music, while the smaller unit develops a firm foundation for future orchestral work. Coupled with the annual spring concert, the program this year included a radio broadcast, a trip to Havre, and special appearances at commencement, graduation, the all-city music festival, and the two school plays.

Roundup Staff

The Roundup, a vital link in the presentation of school life to the public, is published each year as a senior yearbook by the journalism students of the Great Falls High School. It's main purpose is to present an accurate chronical of high school life and to tell of the activities, and student government programs here. The staff has worked hard to maintain the high standards that the Roundup has set in past years.
